

## **ImmuGuard:** **Nutritionals Support for the human immune system**

The immune system is the 'defense department' of the body. ImmuGuard provides a unique combination of nutrients and plant extracts to nourish our vital defense system.

***Excerpted from a lecture by K. Steven Whiting Ph.D.,  
Director, Institute of Nutritional Science. Reproduced by  
permission.***

The immune system is the internal defense department of the human body. For many years, medicine recognized the need and function of this system but was not as aware of the potential devastation, which can arise when it fails. Diseases such as cancer and AIDS have taught us just how terrible life can be when the immune system breaks down.

Whether it's the common cold or something much more devastating, our immune support protocol, developed right here at The Institute of Nutritional Science, has been a lifesaver for thousands and thousands of people. By combining key nutrients and herbs, together with colostrum concentrate and an exclusive proprietary blend of mycelial mushroom extracts, we can both stimulate the immune system as well as nourish it at the same time.

By addressing both the stimulation and nourishing of the immune system, we have been able to use this formula for prolonged periods of time, without seeing the usual rebound effect typical with many formulas which only force the immune system into greater activity, eventually exhausting it even further. This breakthrough is especially important for those suffering from chronic immune related conditions such as cancer and AIDS.

Capsule per Container: 60	...	...	...
Serving Size: 1 Capsule	...	...	...
Amount per 1 Capsule	...	...	% Daily Value
Ester C (calcium ascorbate)	30	mcg	50%
Zinc (gluonate)	3	mcg	21%
Colostrum Concentrate 30%	150	mg	*
Beta- 1,3-D Glucan	25	mg	*
Echinacea Purpea leaf extract (4:1)	25	mg	*
Astragalus Extract 4%	50	mg	*
Pau D' Arco extract (4:1)	50	mg	*
Olive Leaf Extract (18% Oleoropin)	50	mg	*
Proprietary Blend of Mushroom	...	...	...
Mycelial Biomass	200	mg	*
(Grown on Organic Brown Rice)	...	...	...
Shiitake (Lentinula Edodes)	...	....	*
